- **North American stocks and ADRs** – The Bank offers trading in US and Canadian equities on the following markets:

Country	Market
USA	NYSE
USA	NASDAQ
USA	BATS
Canada	TMX (Toronto)

Given the fragmentation of execution venues on the North American continent, the Bank is unable to guarantee best execution for US and Canadian equities, or for ADRs.

The Bank has a night desk for the resolution of errors. The operator alerts in chronological order a person on the contact list provided (if applicable s/he moves up the list if the first contact cannot be reached). The person thus contacted will ensure the resolution of the error over the telephone with the operator.

- **Equities on other markets** – Within the framework of its partnerships, the Bank also offers equity trading on the following markets, under specific pricing conditions:

Country	Market
Morocco	Casablanca Stock Exchange

Although it cannot guarantee best execution, the Bank intervenes on these markets via recognised market makers in these equities and via other investment firms with whom it has longstanding relationships and which have direct access to these markets.

Other markets: The Bank is only able to carry out the execution of an order upon a formal and prior agreement on the conditions for trading on the market in question. We are nonetheless unable to guarantee best execution in such cases.
