Unless the context otherwise requires, terms defined in the Base Prospectus shall have the same meaning when used in this Second Supplement.

To the extent that there is any inconsistency between (a) any statement in this Second Supplement or any statement incorporated by reference into this Second Supplement and (b) any statement in, or incorporated by reference in, the Base Prospectus, the statements referred to in (a) above will prevail.

Copies of this Second Supplement (a) may be obtained, free of charge, at the registered office of the Issuer during normal business hours, (b) will be available on the website of the Issuer (www.bfcm.creditmutuel.fr), (c) will be available on the website of the AMF (www.amf-france.org) and (d) will be available for collection free of charge on any weekday (Saturdays, Sundays and public holidays excepted) at the specified offices of the Fiscal Agent and each Paying Agent during normal business hours so long as any of the Notes are outstanding.

Tranches of Notes to be issued under the Programme will be rated or unrated (as described under “General Description of the Programme – Ratings” in the Base Prospectus). Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 on credit rating

agencies (the “**CRA Regulation**”) will be disclosed in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
